

August 23, 2022

Dear ASC Member,

As many of you know, on Monday we learned the shocking news that Keith Carrington, Principal of North Division High School unexpectedly passed away. Keith was a devoted and active member of our ASC Board and we will greatly miss his passion for making a difference for our members. Please keep Keith's wife, Tanzanique, and their whole family in your thoughts and prayers.

Keith was a tremendously talented, dedicated, and hardworking Principal. His dedication to the school communities which he served touched many lives. His positive impact on these communities will forever be present. In honor of Keith, we ask that you join us in honoring his memory by wearing red on Friday, August 26th.

We understand this message may be difficult to process and cope with. Moments like these are a reminder of how precious our lives are. Please know that the MPS Employee Assistance Program is available to help you deal with this loss in the coming days and weeks. Call 1-800-638-3327 and give them code MPSEAP when you call.

Sincerely,

A handwritten signature in black ink, appearing to read "MNH", is positioned below the word "Sincerely,".

Marybell Nieves-Harris
ASC President
